

**Run This Town** (*chorus*)

Life's a game, but it's not fair  
I break the rules, so I don't care  
So I keep doing my own thing  
Walking tall against the rain  
Victory's within the mile  
Almost there, don't give up now  
Only thing that's on my mind  
Is who's gon' run this town tonight  
Hey, hey, hey, hey  
Who's gon' run this town tonight?
